

PROJECT : Fire Risk Assessment, Manchester

CLIENT :
Foresight Group

LOCATION :
Manchester,
Lancashire

VALUE :
£ 3.8m

Challenges -

The building is a former Bank of England building which has been converted to multiple occupancy building which includes Grade A offices, retail units and main reception.

Foresight moved to the office following a fit out of one of the levels and required a fire risk assessment undertaking and provision of fire extinguishers etc.

Solution -

Safety Advisors visited the site and undertook a fire risk assessment, we also provided a range of fire controls measures which we maintain.

Results -

Compliance with the Regulatory Reform (Fire Safety) Order 2005. Compliance with the building operators requirements for fire control.

Skills -

Safe today, health tomorrow

- Fire requirements of the HSE and Insurers
- Regulatory Reform (Fire Safety) Order 2005
- Communication between all stakeholders
- Provision of fire equipment and on-going maintenance
