

PROJECT : Travelodge Hotels Ltd, Walsall

CLIENT :  
Travelodge  
Hotels Ltd

LOCATION :  
Walsall, West  
Midlands

VALUE :  
£0.8m

### Challenges -

Refurbishment of an existing operational hotel. Phased refurbishment to maintain hotel operation. Switching/isolation of the fire alarm system.

### Solution -

Safety Advisors maintained a 'watching brief' of the hotel in order to meet the requirements of the Fire Safety Order and CDM Regulations 2007.

### Results -

The hotel was refurbished in 18 weeks and the health and safety of the guests and staff was maintained.

### Skills -

- Construction fire safety
- Construction Health and Safety
- Regulatory Reform (Fire Safety) Order 2005
- CDM Regulations
- Fire risk assessments
- Temporary fire protection measures

**Safe today, health tomorrow**
